EXECUTIVE SUMMARY

Results-driven and detail-oriented Certified Public Accountant (CPA) with 11+ years of progressive experience leading enterprise financial operations, GAAP/IFRS compliance, multi-entity consolidations, and financial audits. Proven track record in orchestrating ERP transformations (SAP S/4HANA & NetSuite), optimizing month-end close cycles from 12 days to 4 days, and steering cross-functional accounting teams. Adept at budgeting, strategic tax planning, variance analysis, and establishing robust SOX-compliant internal control frameworks that mitigate fiscal risk and drive operational efficiency.

CORE COMPETENCIES & TECHNICAL ACUMEN

Financial & Accounting

- US GAAP & IFRS Reporting
- Multi-Entity Consolidations
- Internal Controls & SOX 404
- Revenue Recognition (ASC 606)
- Audit Readiness & Liaison

- Cost Reduction & Margin Strategy

ERP & Systems

- SAP S/4HANA, NetSuite, Oracle
- Advanced Excel (Power Query, VBA)
- Power BI & Tableau Dashboarding
- BlackLine Close Management
- QuickBooks Enterprise, ADP

PROFESSIONAL EXPERIENCE

Senior Accounting Manager

Jan 2021 – Present

Apex Global Logistics Inc.

Chicago, IL

- Direct full-cycle corporate accounting, financial reporting, and treasury operations for a \$280M multi-entity logistics enterprise, supervising a team of 9 accounting professionals.
- Spearheaded a comprehensive month-end close process re-engineering, shrinking close cycle time by **66% (from 12 days to 4 business days)** while boosting journal entry accuracy to 99.8%.
- Led the successful migration to **SAP S/4HANA and BlackLine**, automating bank reconciliations and intercompany eliminations across 8 operating subsidiaries.
- Administered external Big 4 audits with zero material weaknesses or significant deficiencies identified over 4 consecutive fiscal years.
- Collaborated with executive leadership to implement working capital optimization initiatives, releasing **\$4.2M in trapped operating liquidity** via DSO reduction from 48 to 34 days.

Lead Financial Accountant

Jun 2017 – Dec 2020

Crestline Manufacturing Group

Milwaukee, WI

- Prepared consolidated monthly, quarterly, and annual financial statements in strict accordance with **US GAAP** and ASC guidelines for \$140M in annual revenue.
- Designed and implemented standardized Standard Operating Procedures (SOPs) and internal control matrices, achieving full SOX compliance ahead of IPO audit inspection.
- Executed comprehensive variance analysis on OPEX/CAPEX budgets, identifying operational inefficiencies that produced **\$850K in annualized recurring savings**.
- Managed complex fixed asset accounting and depreciation schedules for over \$45M in specialized plant equipment and technology infrastructure.

Deloitte & Touche LLP

Chicago, IL

- Conducted integrated financial statement and internal control audits for mid-to-large cap commercial clients across manufacturing, retail, and tech sectors.
- Evaluated accounting estimates, inventory valuation, revenue recognition models, and lease accounting compliance (ASC 842).
- Authored formal management letters and audit committee memoranda communicating internal control remediation strategies and risk exposure assessments.
